Course and Opportunity Guide.

SpringDale Neighbourhood Centre offers classes as part of our mission and the purpose of our organisation. We do this in conjunction with many partners including all our tutors, a number of businesses and some Registered Training Organisations.

I believe all our activities include a brain training component, an interpersonal component, and even a practical component. We would appreciate any feedback you have at any time to help us improve our offerings and the experience we offer to our community.

New

Italian for Travellers

I've devised a program of teaching Italian language to Australians that seems to work.

After 10 x 1+ a half hour sessions, the student should be able to speak simple Italian sentences to any Italian anywhere who will understand them. I emphasise pronunciation.

We use Italian organically to reveal the grammar which is then taught in a palatable way. And we'll have fun doing it! Ciao per adesso.... (Bye for now).
