Cleaning, Maintenance and Storage of **Dangerous Goods – Policy**

The personal safety and security of people attending SpringDale Neighbourhood Centre is of primary importance.

SpringDale Neighbourhood Centre is kept clean and well maintained to ensure the highest standard for all our participants. Environmentally friendly products are used whenever possible.

Safety checks are conducted regularly in the inside and outside activity spaces. Members of our Neighbourhood Centre are also encouraged to report any concerns to the Coordinator.

The Centre is regularly cleaned in line with community expectations and in line with specific requirements as pandemics etc. occur.
