

0 Smoking – Policy

Policy

SpringDale Neighbourhood Centre is committed to providing a safe working environment for all.

Smoking is a health hazard. In line with the current legislation/regulations of the Victoria's Tobacco Act 1987. SpringDale is a non-smoking environment.

Procedure

No one is permitted to smoke in the interior of the Centre.

Smokers will be requested not to smoke in the building.

An initial violation of the policy is to be handled by the coordinator with repeated violations to be referred to the Committee of Management.

Implementing and following of "no smoking" signs.
