THE RETURNED AND SERVICES LEAGUE DRYSDALE

Drysdale Sub-Branch of the Returned and Services League was formed in 1952. Prior to that year eligible servicemen and women were members of the Portarlington and District Returned Soldiers, Sailors and Airmen Imperial League of Australia (R.S.S.A.I.L.A.).

The Drysdale club rooms were purchased from Mrs.L.Bennett of Drysdale in 1950. The money for the purchase was raised by public subscription and community fund raising efforts. Then, donated to the new sub-branch as a sign of appreciation for the services rendered by the men and women of the armed forces during the dark days of 1939-1945.

The land and building had originally belonged to the Presbyterian Church, given to them as a County Grant by the State Government of the young colony of Victoria in 1854. The Bennett Family purchased them in 1937.

The first trustees for the R.S.S.A.I.L.A. were Robert Campbell, Arthur Williams, William Nicholas, Keith McKiernan, Leigh McGregor, Robert Reynolds and Stanley Hutchinson. Only two of these men are still alive today.

Over the forty-four years the sub-branch has grown to a substantial membership of ninety-six members, thirteen of whom enlisted from the Drysdale area. The club has three life members nominated by the Sub-Branch B.Wilson,

F.Edsall (dec), George Malcom, and one nominated by R.S.L. Headquarters with a gold badge, Bill Jones. The Women's Auxiliary also has two life members Mrs.Kilby (dec) and Mrs.E.Noy.

The Auxiliary, with a membership of sixty-two, support the Sub-Branch and the League. They also combine with the Women's Council on matters that concern the R.S.L. in general.

In 1994 the R.S.L. as a whole became an incorporated body. This legal formality has caused a number of changes in the matters concerning ownership and control of Sub-Branch property.

This Sub-Branch is at the present time working its way through the Incorporation Act and negotiating with Headquarters. We are endeavouring to find a way of leaving the land and buildings to the community of Drysdale who purchased and donated them, or some organization which will take care of the area as a memorial to the men and women who served in the armed forces and those who paid the supreme sacrifice in the service for their country.

April is ANZAC month. The commemoration Service will be held in the Senior Citizens Hall on Thursday 25th April at 10.30am. A wreath laying ceremony will follow at the Cenotaph

--- LEST WE FORGET ---

MY DAY OFF

As the early morning breaks,
The kids have demolished the pancakes,
Put away the breakfast tools,
In the house at last, peace rules.

Now a coffee, to sit and savour,
As you glance at the morning paper.
Doom and gloom, violence and crime,
So much sadness in our time.

Come on now, don't feel blue,
You've got too much to do!
Washing to be done and ironing too,
And go and feed the Cockatoo.

The dog has chewed the hose again,
The cats meowing as if in pain.
Better go and pay those bills,
God! don't let me forget to take my pills.

Now all my work's complete,
Everything is shiny and neat.
Should 'phone a friend to meet,
On second thought, I'm just too BEAT!

Lorraine Barrett.

GROWING OLD - BUT GRACEFULLY

Now 73 years after its foundation we could be excused for thinking that the need for the services provided by Legacy would be decreasing. However this is not so and they are expected to continue to increase until reaching a peak in the year 2000.

This means that the same dedication and enthusiasm that has existed for all of the year since Legacy began will have to continue but perhaps with some changes of direction.

Because we are all getting older "aged care" will become an increasing responsibility for organisations such as Legacy. With this in mind a special committee has been formed under the chairmanship of Geelong Legatee Bill North to discuss and advise on future needs and legislation on aged care.

Community Aged Care Packages (C.A.C.P.s) funded by the Federal Government are available and will be used as part of the programme arranged by Legacy for eligible widows.

Other areas of change require constant attention by Legacy in assuring that the widows we care for receive the best of available services. There have been for instance many recent changes to the medical acceptance of illnesses caused by smoking, consumption of alcohol, over exposure to sun and stress to name a few, which means that in some cases where War Widows' pensions have been disallowed, they may now be accepted.

In this regard Legatees are examining their lists of widows to check that any widow who may be eligible for a pension is advised to re-apply.

BELLARINE LAUREL GROUP

Members of this group meet socially on the second Wednesday of each month - it functions under the umbrella of "The Geelong Legacy".

This year there has been:

1. A visit to The Old Court House Museum in High Street.

2. An escorted tour of The Geelong Botanical Gardens - finishing off the afternoon with a "welcome cuppa".

3. April 11th - 19 of our members bused with the Ocean Grove Laurel Group to the Mt Macedon Cross - this was a gathering of many Laurel groups in Victoria.

4. May 8th - After a morning meeting at 10am the group will be going to the "Davidson Restaurant" in Geelong for lunch - transport will be arranged. Cost for the lunch will be \$10.00.

There are many activities planned for the remainder of the year - information can be obtained by ringing the secretary - Rhonda Blakey, on 512681.

LIONS - APEX - COMBINED EFFORT

SpringDale Community Cottage has once again been forced to turn to the generous works of the community.

The play area around the new extension to SpringDale Cottage has been languishing for nearly twelve months. Volunteers have turned a \$56,000 building grant into a \$110,000 asset for this community.

Portarlington/Drysdale Lions and Drysdale/Clifton Springs Apex are combining to bring some order and attraction to what is at present a rather desolate and boggy playground. Over the next few weeks we look forward to seeing

the great clean up start and hopefully some play equipment may be made available.

SpringDale Committee of Management wish to express their most grateful thanks on behalf of the children and service providers of the Childrens' Activities Centre to both these hardworking Community Service Organisations. We are all working together to produce better services and better facilities for our local community.

Thankyou to all our supporters.

PUBLIC TRANSPORT ON THE BELLARINE PENINSULA -

BUS REVIEW

With a new Secondary College about to commence in the 1997 year in central Bellarine, review of bus routes in the area will be undertaken.

Member for Bellarine Garry Spry, led a deputation to a group of five Cabinet ministers including the Minister for Public Transport the Hon. Alan Brown, in City Hall on Tuesday, February 20. At that meeting which was attended by a spokesperson, Mr. John Murray, Bill McKinley and Paul Kenny, the need for the review was emphatically put and well received.

The Minister responded favourably to the concerns of the deputation and indicated that an internal review would be undertaken during

the first half of the next financial year by Department of Transport Officers, in conjunction with the advice of Officers from the Department of School Education.

The discussion also ranged over the difficulties of servicing the scattered populations of the Bellarine Peninsula in terms of bus frequency and bus routes. The Minister agreed to include in the review, weekend bus services for Clifton Springs and Leopold.

Member for Bellarine Garry Spry said that he was delighted with the result and indications from members of the deputation were similarly pleased with the way their concerns had been listened to by their Government Ministers. They were particularly pleased with the reaction of the Minister for Public Transport, the Hon. Alan Brown.

CO-EDUCATION

Co-education or single sex education is a topic of considerable interest to parents making choices for secondary education. After twenty years experience in girls and five years experience as Principal of a co-educational school, I believe co-education offers the following advantages.

- boys and girls during the important developmental phase of adolescence learn to socialise in a natural, normal environment which reflects the gender balance in society at large
- both girls and boys have access to "non traditional" subjects (eg home economics, textiles for boys, woodwork, electronics for girls). This provides broader opportunities for a range of career options, particularly for girls.
- boys and girls learn about the ideas, attitudes and values of the opposite sex and grow up with a broader and more balanced view of society.

- girls, in particular, develop strategies for coping with gender in a secure school environment - a fitting preparation for stable adult relationships and successful integration into co-educational tertiary institutions or the work place.

- ultimately society will benefit from men and women who have grown up more appreciative of each others gifts and talents with a greater understanding of gender issues. This will provide a firm basis for reducing sexism and encouraging respect, tolerance and acceptance of others.

IT IS YOUR CHOICE - THINK ABOUT IT

NEW SCHOOLS FOR DRYSDALE

Following an extensive shortlisting process, concept plans prepared by award winning Geelong architects, McGlasham and Everist have been selected for the design of the new primary school and associated secondary college in the Drysdale parish. Innovative plans for the \$3m project provide for a first stage of prep to Year 6 primary and years 7-10 secondary facilities.

Development of the schools on 9.7ha of undulating farmland on the Bellarine Peninsula, at the corner of Andersons and Gillies Roads, Drysdale, will provide co-educational facilities for primary and secondary education. The site is adjacent to parkland and a bus interchange with community recreation facilities proposed by the City of Greater Geelong.

Location and design of Stage 1 specialist facilities will take account of future school growth. Utilisation by both primary and secondary schools of the integrated joint facilities will encourage the concept of continuity of schooling. Subsequent stage development of the Catholic secondary campus will ensure that a comprehensive VCE curriculum is offered on the peninsula.

Recently, a joint meeting of the Catholic Education Office, Department of Secondary Education and the City of Greater Geelong discussed the possibility of sharing expensive specialist facilities. This will maximise the development opportunities and the potential for community sharing of facilities. Further discussions regarding co-operative arrangements are planned with the Bellarine Secondary College Implementation Committee.

The 1997 school year will commence with a proposed intake of 180 primary (Prep to Year 6) and 90 students in Years 7 and 8. Applications for the primary school Principal closed in February and an announcement of the appointment to this important position is expected in the near future, as will the position of Campus Director for the secondary campus.

COUNCILLOR BLAKE RECONFIRMS COUNCIL'S OPPOSITION TO THE PROPOSED HAZARDOUS CHEMICAL STORAGE FACILITY RELOCATION TO PT LILLIAS.

Thank you the wider community of Geelong and the Bellarine Peninsula who have clearly said they do not want Australia's Largest Chemical Dump in Geelong.

Thank you to all the people that have supported Council's decision to oppose the State Government's move to relocate this Chemical Storage Dump to Geelong.

I believe over two-thirds of the community oppose the move. And when Geelong's identity is at stake here, I am proud of the people of Geelong, for speaking out and voicing their democratic rights.

The City of Greater Geelong Council opposes the selection of Pt Lillias as a site for a Chemical Port, and for the storage of hazardous chemicals.

It does not support the development of downstream industries which are incompatible with the environment.

With the health and well-being of the Geelong Community at stake, it's no wonder we tossed out the previous policy adopted by the Commissioners.

The Commissioners, prior to their decision to support the relocation, did not undertake the necessary strategic studies and public consultation to support their Pt Lillias policy.

Council is 100% committed to enhancing the Coastal Environment and the quality of the Bay. We must all protect its beauty and not allow it to be destroyed.

Issues

1. **Selection of Pt Lillias** - Selection of the site was undertaken in an undemocratic way.

2. **Health and Safety of the Chemical Facility** - Safety impacts of storing chemical and armaments is a major concern. How will the health issues be managed and monitored?

3. **Impacts on the Natural and Social Environment** - A major concern is the impact on the surrounding wet lands for the migratory birds and for the continued operation of Cheetham Salt. Environmental and social values, air quality and local climate will be eroded.

4. **Transport and Emergency Services** - All residents of the City of Greater Geelong and visitors should be concerned with the future use of roads and highways in the area. Road accidents, spills and fires will severely diminish the safety of other road users and surrounding areas.

5. **Cultural Heritage** - The Wathaurong Aboriginal Co-operative will have their Cultural Heritage sites destroyed.

6. **Consultation** - The selection of the preferred site did not seek prior views of the Community. The Commissioners had not consulted the people of Geelong and Bellarine Peninsula, yet they gave total support to the relocation of the Hazardous Chemical Storage Facility from Coode Island to Pt Lillias. Prior to their decision they did not undertake the necessary strategic studies within the whole

of the city and surrounds to support their decision.

7. Recreation and Fishing - Concerns with possible spills and impacts on marine ecology, dredging impacts and disposal of dredge spoil of marine ecology.

8. Support of Chemical Industry - The industry shows all favouritism towards industry economic arguments over the environment, health and well-being of the community at large and the future generations.

Did You Know?

* The proposed Chemical Storage at Pt Lillias has doubled in size and with more petrochemical storage. 137 tanks, 207,607 square cubic metres Chemical Storage; 877,528 Chemical Throughput tonnes per year, 100 loaded trucks per day and 143 ships per year.

* A Chemical spill will reach Rippleside Park in 3 hours.

* There will be at least a 100% increase in tankers on the Princes Highway.

The City of Greater Geelong and all sections of the Bellarine Peninsula, including Queenscliff, provides something special to us all, providing recreational, nature conservation, aquaculture and agricultural industry and tourism values.

The people of Geelong deserve to live in a community that is clean and safe.

Geelong is an attractive City in which to live and work, a City with a strong sense of Community pride.

Geelong wants a safe environment.

This Council is committed to work in partnership with its community, ensure an open, responsive and honest approach, unfortunately something that our predecessors never carried out. Never consulted the people.

This Council is committed to the big picture of Geelong.

To protect Geelong's identity and not allow State Government to put our future at risk.

It is now some twelve months ago, we all inherited, what can only be described now, as a sad story of poor financial management, mistakes, incompetence, drop in service levels and little vision for Geelong or its people.

This Council, the new Chief Executive and staff are committed to our future and prosperity of Geelong.

We are committed to the needs and views of our people, so on behalf of the community, the clear message to the State Government from the people, is a confidence vote saying to them:-

"NO TO THE PROPOSED PT LILLIAS HAZARDOUS STORAGE FACILITY RELOCATION. THE PEOPLE OF GEELONG AND THE BELLARINE PENINSULA DO NOT SUPPORT SUCH A MOVE."

I thank you all for your local support over the past twelve months.

ANNUAL GENERAL MEETING

On Wednesday March 20th SpringDale Community Cottage Inc. held its 5th Annual General Meeting.

The meeting was well attended and detailed reports were presented of ongoing activities.

It was particularly noted in the President's report that some 15,000 hours of community service was delivered by members of SpringDale to the people of the local community. Of these hours some 13,000 were carried out in a voluntary capacity. The President expressed her sincere thanks to all those who had worked so hard over the past twelve months.

The guest speaker, Ms. Julie Baxter, of Baytec Training Inc. Geelong gave a great insight into her work with the long term unemployed and raised some interesting points to be reflected upon in the future in this area.

Badges of the National Network of Neighbourhood Houses and Learning Centres were presented to long term volunteers with thanks for their hard work.

Elected Committee of Management for 1996-1997:

President:	Maureen Naughton
Secretary:	Lisa McDonald
Treasurer:	Dorothy Chase

Committee: Pat Meddings, Dulcie Stone, Marie Martin

Cr. Dennis Blake, Sen. Con. Peter Cockburn, Mary Chapman,
Kerry Seymour, Michelle Dixon, Joan Van Wyk, Adrian Mannix.

Literature Group

This is especially for those who have a love of Literature. A group of four sessions 1.00pm to 3.00pm, April, 29, May 6, May 13, and May 20th - Cost \$5.00.

Discussion: "The Age of Fervour: Eighteenth Century Thought and Feeling."

If you are interested, there are a few places left - ring 53 1960 for further information.

PENINSULA PLAYERS

Now in rehearsal for the first play for 1996, Peninsula Players are striking new ground.

It is the first time the players have tackled Shakespeare and the play chosen is one of his many comedies - "Twelfth Night".

The play, directed by Tony Wright, is developing well and the cast features new faces as well as those more familiar to theatre patrons on the peninsula.

Tony Wright has previously directed the highly successful "Death of a Salesman" for Peninsula Players and has also appeared in many productions with them. His experience in di-

recting Shakespeare is gained through school productions over many years.

Performance dates are set for -

Wednesday through to Saturday, May 1st, 2nd, 3rd and 4th 1996 at Drysdale Community Hall, High St Drysdale.

8pm sharp. Cost \$8.00.

There will be a 10 minute musical performance at 7-50pm and of course, sherry will be served from 7-30 to 7-45pm.

IN YOUR GARDEN

Autumn is now well and truly upon us, the nights are a lot cooler and the days are noticeably shorter. There are still plenty of things to do around the garden, one of the more important is to give everything a good feed. With the wide range of plant foods now available on the market it can be quite confusing as to what to use for the task at hand. There are a few quite good pelletised fertilisers around that are based on animal manure, blood and bone, fish meal, etc. These are quite effective, not only supplying nutrients, but as they break down a certain amount of humus is added to the soil as well. They can be applied to all but the most sensitive plants without fear of a terminal illness as a result. Quite heavy dressings can be applied if the situation warrants, but normally the recommended dressing is quite adequate to spur on the plants to dizzy new heights of glorious growth and flower. Oops got carried away with fragrance that accompanies these things for a couple of days.

There are specific formulation fertilisers which are designed with the requirement of specific groups of plants in mind, e.g. Camellia, Azalea, Rhododendron, Citrus and Fruit Tree, Roses, etc. These are chemical based fertilisers which can provide very good results if the directions are followed correctly. If too much of the good thing is applied then it is possible to cause the premature demise of otherwise healthy plants.

The old petunias will be starting to look a bit tatty and it may be time to think about what goes in the garden beds next for Spring, Primula, Polyanthus, Cineraria, Pansy, Viola, Stock, Snapdragon and lots more can be planted now. Be careful not to wait too long before redoing the garden beds, as once we are into Winter not very much will want to grow and your spring show may not be too flash. There is still plenty of time but don't forget to plant your bulbs.

BELLARINE CHRISTIAN RIDING CLUB

Bellarine Christian Riding Club is now in its second year. We meet every third Saturday of each month at Lake Lorne Equestrian Reserve, Reserve Road, Drysdale commencing at 10.00am sharp.

We are a non denominational club, however being a christian club our focus is on christian values and ideas, thus our meeting on a Saturday to leave Sundays free to attend church, rest and/or spend valuable time with family.

Although we are a christian club, anyone who wants to expand their riding ability and meet new people would be warmly welcomed.

BCRC is also very family orientated. We have no age or riding limits to riders or non riders, so mums, dads, brothers, sisters, aunts, uncles and even grandparents are very welcome to attend any time.

BCRC is affiliated with the HRCV allowing us to compete in official RC events such as Dressage Days, Show Jumping Day, One Day Events and Gymkhanas.

Our aim is to improve each riders riding ability and awareness of horse safety in a fun, safe, caring environment and remember, that anyone is welcome, so if you feel this Club would appeal to you, please don't hesitate to call or come down to our next rally on the 20th April for a chat and a cuppa.

Looking forward to meeting you.

God Bless - BCRC

Geraldine McClumpha - AUDIOLOGIST

43 Little Myers Street, Geelong 3222
Telephone 296407

Bellarine Hearing Services was established in 1992 by Geraldine McClumpha. Geraldine qualified as an Audiologist in 1976, and since that time she has gained valuable experience in the many disciplines that come under the umbrella of 'Audiology' by working at the Royal Victorian Eye & Ear Hospital, and Australian Hearing Services. Geraldine has also maintained a continual working relationship with several Otolaryngologists in both Melbourne and Geelong, providing hearing assessments and other diagnostic testing.

A large proportion of the work undertaken by Bellarine Hearing Services, is hearing aid fitting. In recent years, major advances have been made in hearing aid technology. Geraldine finds the new computer programmable hear-

ing aids an excellent solution in the fitting of difficult hearing losses, as the prescription can be changed easily, until the optimum settings are found. Bellarine Hearing Services has a contract with Australian Hearing Services to provide hearing services to eligible pensioners, part pensioners and Commonwealth Seniors Health Card holders.

Every Tuesday, Geraldine conducts sessions at Ocean Grove (AM) and Drysdale (PM), and for the rest of the week she can be consulted at Bellarine Hearing Services' new rooms at the St John of God Medical Centre, 43 Little Myers Street, Geelong. The facilities at the new rooms enable testing of infants. Other occupants of the Medical Centre include Mr Roy Nicholson and Mr Noel Russell, both Otolaryngologists, and arrangements are in place for Geraldine to provide hearing assessments and other diagnostic testing on their behalf.

We are here to Help You

PENINSULA NETBALL ASSOCIATION INC.

If you would like to play netball, but do not want to spend time travelling to a different venue each week, why not consider playing netball at the Drysdale Recreation Reserve, Duke Street, Drysdale?

We conduct competitions for Senior Ladies and Junior Mixed Sex teams which do not involve travelling to a different venue each week. We provide the umpires and a friendly playing environment, all we need are players to make our competitions successful and challenging.

Initial registration fees are: \$27.00 per Senior player, \$14.00 per Junior player. Game fees are \$2.50 Senior player per game each, \$1.50 Junior player per game each.

Competitions are conducted as follows:-

MONDAY MORNING SOCIAL COMPETITION

Is now in progress and new players are still being accepted into this competition. This competition is mainly for young mothers in the area to get together socially, meet new friends and enjoy a game of netball in the process. You do not have to have played netball before to enter this competition, we will teach you as you play each week. A creche is provided at the cost of 50 cents per child. Further inquiries phone Jenny on 53 2799.

WEDNESDAY TWILIGHT SEASON - SENIOR LADIES COMPETITION

Commenced on the 13th March 1996, Grand Final to be played on the 26th June 1996. Players are still being accepted into this competition up till the 22nd May 1996. Further inquiries phone Glenda on 51 3742. (No creche available.)

SATURDAY JUNIOR MIXED SEX AND SENIOR LADIES COMPETITION

Commences in April. Juniors must turn 6 years of age this year to compete, proof of age may be requested. A canteen operates during the day for your convenience. For further inquiries phone Lynne on 51 3689. (No creche available.)

WEDNESDAY EVENING SPRING/ SUMMER JUNIOR MIXED AND SENIOR LADIES COMPETITION

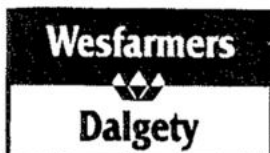

Commences in September - further enquiries to Glenda on 51 3742.

If you are a qualified Netball Umpire and new to the area we would like to hear from you. If you would like to train to become a qualified umpire please phone our Umpire's Co-ordinator - Mrs Karen Rodgers on 51 2067. General Meetings of the Association are usually held monthly, we welcome new members to attend these meetings to put forward any ideas on how we can improve our competitions.

Drysdale Brigade winds up successful season with great results at two State Championships

The Drysdale Urban Fire Brigade completed a successful Competition Season with excellent results at both the Tasmanian State Championships held on the 17th February at Ulverstone and the Victorian Urban Fire Brigades Associations State Championships held on the long weekend in March at Bendigo.

At the Tasmanian Championships Drysdale gained 3rd outright in the Grand Aggregate with wins to Gary Filbay in the marshall, One Competitor and Brendon Connally in the Ladder Race. The Team won the Hose and Ladder Eights and gained second place in the Hose and Ladder Fives, the "Y" Coupling and Ladder Eights and the Torchlight Contest.

Over 100 Urban Brigades competed in three classes, 'A', 'B' and 'C' Section in ideal weather conditions at the Victorian State Championships at Bendigo where Drysdale gained 2nd place in the 'A' class Aggregate and equal 1st in the 'wet' aggregate. The Team won the House.

The Drysdale Competition Team consisted of Lincoln Blair, Brendon Connally, Mark Filbay (Coach), Gary Filbay, Wayne Hinchliffe, Jarrod Kingsbury, Scott O'Neil, Marc Rodgers, Jeff Stewart (Assistant Coach), Brad Wombell with assistance from Anthony Connor, Chris Kershaw and Nicholas King. The Discipline

(Marching) Team consisted of Steve Atkinson, Rob Aylwin, Daryl King, Wayne Hinchliffe (Coach), Bert VanLith, Greg Welk and Darren Wilson with assistance from Brian Serle.

The 1967 Victorian State Urban Championships will be held at Portarlington and organised by the Bellarine Peninsula Championship Committee comprising of the Drysdale, Ocean Grove, Portarlington and Queenscliff Brigades.

It has been our intention to provide the residents of the Bellarine Peninsula with reliable, honest and informed service.

At Guyett Real Estate it is our goal to continue to improve our service and performance.

Our staff remain our greatest asset. I am proud of our outstanding team from the reception desk through to property management and the sales department.

Every member of the Professionals team has accepted the responsibility of ensuring that your Real Estate Experience is a delight.

If you have any comments on our service or wish to suggest ways we can be of more assistance, please call us and we will personally attend to your request.

PROPERTY MANAGEMENT

Our property management department is fully experienced in all aspects of property management.

We currently manage a large range of properties for investors and small property owners.

We manage properties located in all areas of the Bellarine Peninsula.

We provide a fully computerised service for accurate, prompt accounting purposes.

Other services include:

- * Initial property inspection and conditions reports.
- * Preparation of all documentation including Lease Agreements.
- * Investigation of prospective tenants.
- * Six monthly inspections of residential properties.

WOULD YOU LIKE YOUR PROPERTY PROFESSIONALLY MANAGED?
