DRYSDALE'S MIGHTY HAWKS

Drysdale Football Club first played a game of football behind the local hotel (the Bucks Head Hotel) also there was a race course around the ground. This match took place on Saturday, 14th June, 1879 against Chilwell seconds. Drysdale were beaten by 4 goals.

Some of the sides Drysdale played in the early years were: Chilwell, Curlewis, Birregurra, East Geelong, North Geelong, The Artillery, Portarlinton, Wanderers.

One game against Artillery on 7th July, 1879 was a draw, one goal a piece. This game was finished on the following Saturday but no result is available.

Drysdale has had different colours of jumpers over the past 127 years - maroon/gold, blue/white, red/white and the current colours of brown/gold.

In 1903 Drysdale were Premiers and won a magnificent marble mantle clock which can now be seen in the Football Club Rooms. The old football ground in the park had a fall of fourteen feet from east to west before the Council levelled it out in the early years after the war.

Drysdale has 4 sides (Under 15, Under 18, Reserves, Seniors) and are affiliated with the Bellarine and District Football League.

Drysdale's current Assistant Coach, David Masek who plays at full forward is the leading goalkicker in the Senior competition and has kicked over 100 goals at this stage of the season whilst some of our Under 18 players David Beim, Mathew Chambers and Aaron Eddy have earned themselves games in the Senior team, so this points well to our future as we have youthful sides playing in both Seniors and Reserves teams.

We will be hosting the Preliminary and Grand Finals once again and we hope that the Hawks will be represented on the big day and maybe a flag could be ours.

Recently a re-union of the 1966, 1976 and 1986 Premiership teams brought together many past players and many friendships were renewed by those who attended and it was pleasing to note the number of players who played in those teams still live in the Geelong area.

Our season culminates in the Senior Presentation Evening which is to be held at the Club on A.F.L. Grand Final Eve.

BELLARINE WINS GOLD

On Thursday 18th July, in front of a crowd of about 1,500 at the Geelong Pura Milk Arena, the Geelong Regional Rock Eisteddfod final was held.

The Rock Eisteddfod Challenge is a performing arts competition between secondary schools held nationally and around the globe. It provides students with an opportunity to produce and stage a piece of live entertainment. The focus of the Rock Eisteddfod challenge is on youth being the best they can be and on "getting high on life" without the use of tobacco, alcohol or other substances. It is an effective vehicle to communicate health and social education messages to teenagers in a supportive and positive environment. The Rock Eisteddfod Challenge aims to empower youth with the resources and opportunities to express their creativity through music and dance.

This year the title of Bellarine Secondary College's performance was "DEBUTANTE'S DILEMMA". Our production includes 94 dancers and 20 backstage crew and countless parent helpers. The theme was based around an imaginary town called 'Fort William' and the social event of the year, its annual debutante Ball. Only the most respectable people attend....

The scene opens up with our lovely deb girls getting ready at 'Trixies Salon' while the boys are greasing up their hair in front of a mirror. Soon the props pull apart

revealing the outside of the hall and our debs and partners entering, along with mothers and guests. Our focus is then turned to the festivities inside the hall including the presentation dance. The festivities turn sour when a group of punks decide to 'crash' the party. But all is not as it appears as the punks are soon made welcome and the party continues....

Bellarine Secondary College won the Geelong Regional Final for the third time in a row, also receiving other awards on the night for "Most Entertaining", "Best Concept", "Best Hair and Make-up", "Best Choreography" and "Best Costumes".

This performance will now go on to compete for a place to perform at the National Premier Final at the Tennis Centre on the 13th September.

Co-ordinator - Ms Desiree Sommavilla.

BELLARINE SECONDARY COLLEGE

TERM 3 REPORTING TO PARENTS

There has been a review of the efficiency of Term 3 parent/teacher interviews in communicating with as many parents as possible about the progress of students in second semester. This has led to a change in procedures for the end of Term 3 1996.

All students in Years 7-11 will receive a written progress report which will give parents a summary of their child's performance in areas of academic progress, behaviour and completion of homework. The report will also indicate whether teachers believe an interview is required to discuss the student's progress or whether an interview is optional. This report will be distributed to all students on Wednesday, the 18th September. All Year 12 students will be encouraged to attend an interview with each of their teachers. Parent/teacher interviews will be held on Thursday, 19th September from 4.00 - 7.00pm and on Friday, 20th September from 10.00am - 2.30pm.

This change in procedure is being viewed as a trial and evaluation sheets will be available at both campuses to allow parents and teachers to comment on changes to suggest improvements.

Principal

COURSE SELECTION FOR 1997 YEAR 9 & 10 - 1997

Planning has commenced for 1997 course selection by students. Students in Year 8 & 9 this year will receive Course Handbooks in the week commencing 5th August. A Parent Information Evening for these students will be held on Thursday, 15th August at the Surfside Centre, Ocean Grove, 7.30pm. At this meeting an overview of Middle School curriculum will be provided. In addition, information about the Drysdale Campus will be available. Course selection sheets for Years 9 & 10 1997 must be returned to the College by Monday,

August 19th. It is very important that submission dates are met as planning for classes is done on the basis of students selections. Late submission of course selection sheets may result in students not gaining access to electives they wish to study.

VCE 1997

The annual VCE Expo will be held on the afternoon of Thursday, August 15th. This involves students from our current VCE classes displaying samples of work and being available to discuss subject selection with the Year 10 students. At the end of this activity the 1997 VCE Handbook will be distributed to Year 10 students.

A Parent Information Evening will be held on Tuesday, 20th of August at the Ocean Grove Campus in the Conference Centre at 7.30pm. Mrs Gaskill (careers Co-ordinator) will be available over the next few weeks for Parent/Student interviews. If you would like to take advantage of Mrs Gaskill's knowledge about

course requirements, career opportunities etc., please contact her at the Queenscliff Campus on 581700 to arrange an interview time.

Initial course selection sheets must be returned to the College by Friday, August 30th. I cannot stress enough the importance of students submitting course selections by due dates. As student choices influence which subjects will be offered on the timetable next year, it is imperative that all students make their selections count in the decisions as to which subjects will operate. After initial course selection sheets have been submitted and the decisions as to which subjects will run in 1997 are made, VCE students will have the opportunity to participate in course counselling before submitting their final course selection on Thursday, 17th October. Please contact Mr K Tangey, VCE Sub-School Co-ordinator or myself for further information.

ROTARY CLUB OF DRYSDALE INC.

Changeover night has now been held and office bearers for 1996/1997 are President John Marks Phone 513400 BH and Secretary Tom Erhardt Phone 502370.

Just arrived from the U.S.A. is Rotary Exchange Student Nichole Day who is 16 years old and will be living in Drysdale for 12 months and will attend Geelong High School. So if you see a friendly young red-headed girl around town with an American accent be sure to say G'Day. Nicole comes from a rural township called Rawlings, population 6,500, and should feel very comfortable with us. She is excited about being close to our world famous surf beaches as she lives in Wyoming in the mid-west a good thousand kilometres from the coast.

In later issues we hope Nicole will tell us her impressions of Drysdale and Australia and what she has been up to.

Photo shows Nicole (centre) with Drysdale Rotary Club President John Marks and his wife Pat (left) and Student Counsellor Ivan Stasinowsky and his wife Erica (right).

Clifton Springs Drainage Schemes Abandoned

Summary

A review of special charge schemes proposed for the Clifton Springs area has been undertaken. The review was conducted to re-assess the need for the works, whether design standards are reasonable, the extent of public concerns and options available to the Council if it wishes to reconsider the schemes.

The findings are that:

- * There are flooding problems to be addressed.
- * The solutions proposed appear to be out of proportion to the problems to be overcome.
- * Design standards, in most cases, are higher than what is normal for residential development.
- * There is a need for greater participation by those who have to pay in the selection of the level of protection from flooding required.
- * The outfalls at Clifton Springs urgently require attention, particularly one area near the bowling club.
- * There are sufficient questions about the extent of the proposed schemes to conclude that both schemes should be withdrawn to enable further consideration of alternatives.
- * Alternative schemes should not proceed until there has been a review of the user pay policy.

LONGFORD NATURAL STONECHIP COATING

This remarkable coating is

- * Non Slip * Colourfast * Permanent
- * Decorative * Maintenance Free

The coating is NOT pebblemix and is guaranteed for five years. Tested by Unisearch and found to be totally non slip under all conditions it has also been approved by the New South Wales Department of Housing. Applied to the front entrance of Watty Paints in 1982 it is still in near perfect condition. The coating can be viewed at the Ocean Grove Bowling Club or at 26 Allara Court, Clifton Springs. The coating is perfectly suitable for use on the following areas

- * Patios * Steps * Paths
- * Pool Surrounds * Driveways

Discussions

The urgent problem to fix is the massive erosion of outfalls, threatening collapse of property at the bowling club. The question is whether or not it is necessary to undertake the whole of the main drainage and street and easement drainage at the same time in order to address the outfall problem. The finding in the review is that it is not.

There are a number of easement drains which could proceed if a majority of the owners had a desire to do so, and there are some examples of flooding and large street flows. Most do not threaten to flood houses.

Whatever happens, the outfalls have to be fixed, particularly the one near the bowling green which is urgent.

As a result of the public consultation process of late 1995, a Clifton Springs Drainage Actions Committee was formed and has carried out a survey of problems and attitudes in the area known as Catchment 45. The Committee reports that 6% (22 in number) of respondents reported problems, but 95% were opposed to the scheme. The way in which the Committee has done its work and communicated its concerns to Council Officers is commended and it is considered that the Committee would be a valuable contact point for further discussions.

The assessment at present is that as the residents have no real desire for the schemes, and there are questions about the extent and stand-

ard of the work proposed, the schemes as presented should be withdrawn. The public consultation phase should take a different approach, one of working with residents to produce solutions to problems with drainage that the property owners, or at least a majority, are prepared to fund.

Without much doubt, the expense of fixing erosion gullies is a Council responsibility. The additional cost of the larger pipes in this instance is relatively minor. The estimated cost of replacing the two outfalls at the bowling club and at Edgewater Drive is \$1,320,000. The work can be staged.

Conclusion

There are so many questions about the extent of the work proposed, the standards adopted and the relevance to modern drainage principles that it is concluded that both schemes should not proceed in their current form.

Resolution By Council

That:

1. Proposals for a special charge scheme for outfall, trunk and easement drains for catchment 41 and 45, be abandoned.
2. Council funding be considered for the replacement of the existing outfalls at Clifton Springs.
3. The Clifton Springs Drainage Action Committee be encouraged to work with Council Officers to review drainage problems and possible solutions.

SINCE 1889

CLIFTON SPRINGS PRIMARY SCHOOL

NEWS OF THE MONTH:

A warm welcome is extended to new staff members for Term 3 - Mrs Laurelle Conder, Mr. Predrag Bradilovic and Miss Jodie Hancy. A formal farewell function will be held for the past Principal, Mr. Peter Dickson, on Friday August 30th, 1996 at Clifton Springs Primary School from 5.00 - 7.30pm. Cost of \$10.00 covers presentation and refreshments, all community members are welcome to attend. Please contact the school (51 3581) for further details.

We are currently taking enrolments for students for 1997, particularly Prep children. Parents need to bring proof of date of birth and immunisation details. Interested parents please contact the school at any time regarding future enrolments. We welcome all visitors.

We have had another successful program conducted for all grades by the Life Education Van staff, this included on Friday August 2nd, a breakfast provided for over 300 students, parents and teachers. It was a great way to start the day!

Recently staff members Lynne Irvine and Pam Rawson and a number of parents completed

their Austswim course. Funding this training ensures continuation and the maximisation of the effectiveness of our school swimming program which covers grades Prep to 6 each year. In keeping with current world events our school has been focussing on the Atlanta Olympics. We held three fun-filled Mini-Olympic programs (P-2, 3-4, 5-6) which all attracted a lot of parental involvement and interest. The games encouraged team participation and goodwill - many "medals" were given just for competing.

Grade 6 teacher Mr Robin Riley took a number of our senior students to the "Life Be In It" Centre on Friday August 2nd to compete in a round robin charity basketball tournament. They all had a great time competing and enjoyed the free lunch!

Our senior girls Netball team coached by teacher Mrs. Pam Rawson recently competed in the Geelong Regional Netball final against Rollins. The girls played well on the day and were pleased to have reached the final.

WELL DONE GIRLS!!!

IN YOUR GARDEN

Spring is most definitely in the air, the thought of some warmer weather is a very appealing one. With the onset of Spring will come a burst of weed growth that you can never believe, even though it happens every year. With a bit of motivation it is possible to make an impact on the beasts before they get too carried away with the change of season. It is a good time to be putting the finishing touches to the vegie garden by adding lots of manure and composty things, these will provide a rich growing medium for seedlings. Don't be in a great screaming hurry to plant everything yet, as there is quite a bit of coolish to cold weather to come. No I'm not being negative, but we still have a bit of frost season to come, and we always seem to have a last burst of Winter to Spring somewhere.

If your Nectarine and Peach trees have been suffering with Leaf Curl then you should be

looking to spray them with a Copper based spray. Ideally a mid Winter spray, followed by a repeat as the first Blossoms show will start them off well. Sometimes it may take a year or two to get the trees looking good again but it is worth doing if you want strong healthy trees. Around the old Apple tree one can plant things like Garlic, Chives, Shallots and the like, these tasty smelling little 'what's it's' will help keep Codling Moth away as well as providing a culinary source for cooking. Lemon trees on the other hand really don't like any company at all. They prefer the ground underneath their foliage to be free of growth, a light mulch is usually the best option. The weed free area then easily defines where you should throw the Citrus food in September and May.

AFFIDAVITS, STATUTORY DECLARATIONS & PASSPORT APPLICATIONS

These days there are many documents which are required to be witnessed before a qualified person. For instance, statutory declarations, affidavits, passport applications, solicitors certificates.

STATUTORY DECLARATIONS:

There is no longer a prescribed form of Statutory Declaration under the Evidence Act 1958.

A person who makes a Statutory Declaration must sign the document and should repeat the following words: " I solemnly and sincerely declare that this document is signed in my name and handwriting and the contents of this my declaration are true and correct in every particular."

The Bible is never used when making a Statutory Declaration or an Affirmation.

The following is a list of some persons who may witness a Statutory Declaration under the Evidence Act 1958.

- Solicitors
- Justice of the Peace
- A member of either House of Parliament of Victoria
- A registered medical practitioner
- A dentist
- A Veterinary surgeon
- A Pharmacist
- A Bank Manger

AFFIDAVITS:

An affidavit is a written statement sworn on the Bible or the New Testament pursuant to the Evidence Act 1958. An affidavit is generally used in Court matters where a witness is unable to give evidence personally.

The following is a list of some persons who may be able to take an Affidavit under the Evidence Act 1958 :

- Any Judge
- A Solicitor holding a current Practising Certificate pursuant to the Legal Profession Practice Act 1958.
- A Master of the Supreme court or of the County Court
- A member of either House of Parliament
- Justice of the Peace
- A member of the police force of or above the rank of Sergeant

It is to be noted that each State of Australia has different requirements in relation to Statutory Declarations and Affidavits.

There are special procedural requirements in relation to obtaining and administering Oaths and Statutory Declaration on disabled people, sight impaired persons, illiterate persons and infants.

If a person does not wish to swear on the Bible he or she may make an Affirmation.

AUSTRALIAN PASSPORT APPLICATION:

The Australian Passport Application form requires that a recognised person provide a Proof of Identity Declaration.

The person who provides the Proof of Identity Declaration must :

Not be related by birth or marriage to the applicant

Have known the applicant for at least one year
Be an Australian citizen

Be currently employed in one of the following professions

- Solicitors
- Accountants
- Bank Managers
- Dentists
- Justice of the Peace
- Members of Parliament

It is an offence for a person to charge a fee for taking affidavits except where a document witnessed is certified by a Notary Public.

It is very important the Statutory Declarations, Affidavits and other Declarations are administered properly for failure to do so may lead to very significant penalties.

BASIL RISTEVSKI LL.b
Solicitor

FOR PARENTS OF YOUNG CHILDREN

SpringDale Community Cottage are very pleased to advertise a course for parents who wish to discuss managing their children's behaviour.

With funding from Adult Community and Further Education, a tutor, Ms. Shirley Ambrose, has been employed to take this course. Shirley, is highly recommended and sought after in this area and so SpringDale is indeed lucky to secure her services.

For your convenience, 2 courses are available:

1st session:	The older child	2nd session:	Up to 5 years
Date:	Tuesday, 3rd, 10th and 17th September.	Date:	Tuesday, 24th September, 1st October and 8th October.
Time:	7.00pm to 9.00pm	Time:	7.00pm to 9.00pm
	Cost: \$10.00		Cost: \$10.00.

RETURNED AND SERVICES LEAGUE

The RSL was first started by men with great foresight, returning from the front at the cessation of the First World War. It was formed to assist those ex-servicemen returning from the horrors of the war in their rehabilitation. The League was ready to fight for the rights of the returned men, who were attempting to procure what was actually owing to them. To do this, they had to fight the bureaucrats in regard to pensions, on-going medical treatment etc.

Even today, 51 years after World War II, this fight is still going on and the R&SL are still providing advocates in order to carry on this important work.

The League and the Sub-Branches are in the forefront of any battles for better conditions for the ex-servicemen and women, but they cannot carry on this vital work without the help of others.

Welfare is another very important facet of the League's work. This is carried out by dedicated members at the level of HQ and Sub-Branch. If you feel you would like to be-

come a part of this work and you have the criterion, which is to have served at least six months in the armed services - at home or abroad, your Sub-Branch will certainly make you welcome.

The Drysdale Sub-Branch meets on the second Thursday of each month, except January, in the clubrooms in Princess Street at 2.00pm. Recently the Department of Veterans' Affairs have produced a publication entitled "Planning Ahead". It consists of relevant and very valuable information for the older generation. It contains forms for personal information to be entered as well as forms regarding the health problems of the member. There is also a place on which to enter any funeral information. These forms should be filled out by the member, so that when he or she passes on, the next-of-kin can follow the last requests of the deceased, thus making the task much easier. Copies of this important publication are available on request from the Hon. Secretary, George Malcolm - phone 512213

GOOD NEWS POSTIVE TOUCHES

A Reader's Digest feature, "My Most Unforgettable Character", acknowledges writer's debts to those whose personal impact has been significant.

When Jesus desribed his desciples as "Salt of the Earth", he summarised many positive ways that his love touches other people through us.

As salt kills infection, his love spreads forgiveness and peace around.

Because salty water is harder to boil or freeze, so love keeps us more even-tempered when we are being pushed towards panic or cynicism.

Before refrigeration, salt was a preservative, so love strenghtens our ethical standards in business and relationships.

Salt enhances the flavour of food, like love helps other people to discover and develop their own qualities.

Just as salt creates thirst, our response to genuine love releases our inner desire to be valued, and we want to be with those who love us.

As salt corrodes metals, God's love dismantles barriers of fear and prejudice, to help us see new attractive possibilities for life.

Like salt, love works best when we share it instead of trying to store it away.

Finally, people get sick with too much salt, too quickly, so Jesus helps us to understand how much room others need to make their own responses.

Isn't that Good News!

TALKING LAW

This course provides students with basic knowledge of their legal rights and how the law affects them and has already started, but there are still places available. The course is funded by Adult Community and Further Education (ACFE). There will be a small fee of \$5.00 to cover books and equipment.

The following topics will be covered:

1. How the law works
2. Householders and the law
3. Families and the law
4. Children and the law
5. Intellectual disabilities and the law

6. Credit and the law
7. Social security and the law
8. Consumers and the law
9. Workers and the law
10. Cars and the law
11. The course will include visits to the courts and guest speakers.

The classes will be run Wednesday, Thursday, Friday from 9am - 3pm.
