

Programs and Services – Policy

The Programs and Services of SpringDale are in line with our purposes listed in our Constitution:

- To support their local neighbourhood and buy local.
- To provide opportunities for community groups and individuals to meet local needs and demands for education and social development
- To encourage and develop growth of Drysdale/Clifton Springs and District Community through consultation and participation in learning projects and programs
- To provide an information service on learning opportunities for residents and their families.
- To organize and conduct on its own behalf or in collaboration with other suitable bodies, child/adult education and recreation activities in the district and surrounds
- To provide a meeting place for responses to local needs
- To do all things in a way conducive to the development of learning and caring in the community of Drysdale/Clifton Springs and their surrounds.

Our Programs and Services are listed as:

- Family Support
- Publications
- Classes
- Special Interest Groups
- Community Support

These enable us to fulfil our purpose.
