

SpringDale Website – Policy

The SpringDale Website, is an integral part of the work and program delivery of the SpringDale Neighbourhood Centre. It provides an avenue for us to share information with the residents of the North Bellarine Peninsula and beyond and it helps to encourage us to move forward regularly.

The SpringDale Website allows us to publish and advertise activities, programs, documents and notices to inform our community of classes, special events, and activities as they are scheduled. It enables our community to be able to access information, book classes and activities, read the SpringDale Messenger and On the Bellarine Business and Services Directory. Access SpringDale Policies and our Annual Report and a variety of other services.

Our Website is kept up to date and enables our community to subscribe to updates.

We are also hosting audio files for the sight impaired community members to be able to access audio recordings of SpringDale Messenger articles.

Our website publishes information about SpringDale and SpringDale activities.
